Method of Award

Best Value– Ranking Approach

KCTCS intends to award a Contract to the Supplier, whose offer, conforming to the Solicitation, is the most advantageous on the basis of "best value" for all products, services, and requirements contained herein.

An evaluation committee, or a designated individual, will evaluate the information provided by the Supplier in response to the established measurable criteria contained in the Solicitation. The response will be accumulated and evaluated by price per item corresponding to the overall price.

Measurable Criteria**Immediate Purchase (Section 1 of the Form of Proposal):**

Price 90 Points

Delivery 10 Points (Delivery must be certified by not later than August 7, 2017 at 11:00 am EST).

TOTAL POINTS 100 Points

Bidder must bid on all items to be considered for the award. Each Supplier is responsible for submitting all relevant, factual and correct information with their offer to enable the evaluator(s) to afford each Supplier the maximum score based on the available data submitted by the Supplier. SUPPLIER SHALL ENTER UNIT PRICE AND TOTAL PRICE ON THE BID SHEET. If adequate space is not available, the Supplier must attach additional information that clearly cross-references the appropriate location in the solicitation (i.e. page number, paragraph, subject, etc.).

Price (90 points)

The bidder with the lowest Price receives the maximum score. The bidder with the next lowest Price receives points by dividing the lowest Price by the next lowest price and multiplying that percentage by the available points. For example, 90 points is allocated to the lowest Price criteria for this procurement, Bidder "A" bids \$3.00 as the lowest bidder and receives the maximum 90 points ($\$3.00 / \$3.00 = 1.00 \times 90 = 90$). Assume Bidder "B" is the next lowest bidder at \$4.00, then "B" receives 75 points ($\$3.00 / \$4.00 = .75 \times 90 = 67.50$).

Delivery (10 points)

The supplier that can deliver the complete order by NO LATER THAN AUGUST 7, 2017, will receive 10 Points.

Best Value scoring is subject to Reciprocal Preference for Kentucky resident bidders.

Price Contract (Section 2 of the Form of Proposal):

Percentage Discount on Supplier List as listed in this Invitation to Bid: 100 Points

TOTAL POINTS: 100 Points

Each Bidder is responsible for submitting all relevant, factual and correct information with their offer to enable the evaluator(s) to afford each Bidder the maximum score based on the available data submitted by the Bidder. BIDDER SHALL ENTER TOTAL PERCENTAGE DISCOUNT ON THE BID SHEET. If adequate space is not available, the Bidder must attach additional information that clearly cross-references the appropriate location in the solicitation (i.e. page number, paragraph, subject, etc.).

Price Percentage Discount (100 points)

The bidder with the highest Price Percentage Discount per line item in the Form of Proposal receives the maximum score for each line item. The bidder with the next highest Price Percentage Discount receives points by dividing the highest Price Percentage Discount by the next highest Price Percentage Discount and multiplying that percentage by the available points. For example, 100 points is allocated to the highest Price Percentage Discount criteria for this procurement, Bidder "A" bids 50% as the highest bidder and receives the maximum 100 points ($50\% / 50\% = 1.00 \times 100 = 100$). Assume Bidder "B" is the next lowest bidder at 45%, then "B" receives 90 points ($45\% / 50\% = .90 \times 100 = 90$).

Best Value scoring is subject to Reciprocal Preference for Kentucky resident bidders.

Oral explanations or instructions given before the award of the contract will not be binding. Kentucky Reciprocal Preference

In accordance with KRS 45A.490 to 45A.494, Kentucky Resident Bidder Status, a resident Offeror of the Commonwealth of Kentucky shall be given a preference against a nonresident Offeror. Residency and nonresidency shall be defined in accordance with KRS 45A.494(2) and 45A.494(3), respectively. Any Offeror claiming Kentucky residency status must submit with its bid/proposal a notarized affidavit (Resident Bidder Claim Form,) with supporting documentation affirming that it meets the criteria as set for in the above referenced statute.

Damaged Materials

When an order is received and found damaged, the supplier will be notified immediately concerning the course of action necessary to resolve the situation. Should replacement materials be required, said material will be replaced within ten (10) working days, unless there is just cause shown that this requirement cannot be met. A notice of disposition for damaged materials will also be required within ten (10) working days, or KCTCS, will dispose of, or return, said materials at their convenience.

Over shipments and Incorrect Materials

It is the responsibility of the supplier to initial movement of said materials from the premises and send replacement materials within ten (10) working days, unless there is just cause shown that this requirement cannot be met. Failure by KCTCS to receive disposition instructions will result in a collect return shipment to the supplier.

Bid Submittal

Bids must be received no later than the date and time show on the front page of this Invitation to Bid. All bids must be received in a sealed envelope/package clearly identified with the Invitation to Bid Number in the lower left corner.

Bidders shall not submit their standard terms and conditions with bid submission.

Bidders, by completing and submitting a bid in response to this Invitation, do certify that any equipment proposed shall be in full compliance with all of the above applicable safety standards. Bidders may be required to provide evidence of the certification prior to award of contract.
