I. The following information is provided in response to questions submitted by potential bidders:

1. While reviewing solicitation KCT-01138, we noticed that the bid lists shipping for two different campuses. We were hoping for clarification on which items would ship to which campus. Is each campus requesting Qty. 1 for items 1 through 3? That is, would each campus receive one (1) SimCabRX Standard, one (1) SimCartRX Lite, and one (1) Barcode scanner?

KCTCS Response: Yes, each campus would receive one (1) SimCabRX Standard, one (1) SimCartRX Lite, and one (1) Barcode scanner?

The timeline to submit additional questions has passed.

All other terms, conditions & specifications remained unchanged.

Offerors must acknowledge receipt of this and any addenda either with proposal or by separate letter prior to award of contract. If by separate letter, the following information should be placed in the lower left hand corner of the envelope:
