V. METHOD OF AWARD

Best Value – Ranking Approach

KCTCS intends to award a Contract to the Bidder, whose offer, conforming to the Solicitation, is the most advantageous on the basis of "best value" for all products, services, and requirements contained herein.

An evaluation committee, or a designated individual, will evaluate the information provided by the Supplier in response to the established measurable criteria contained in the Solicitation.

Measurable Criteria:

Price 100 Points

TOTAL POINTS 100 Points

Each Supplier is responsible for submitting all relevant, factual and correct information with their offer to enable the

evaluator(s) to afford each Supplier the maximum score based on the available data submitted by the Supplier. SUPPLIER SHALL ENTER UNIT PRICE AND TOTAL PRICE ON THE BID SHEET. If adequate space is not available, the Supplier must attach additional information that clearly cross-references the appropriate location in the solicitation (i.e. page number, paragraph, subject, etc.).

Price (100 points)

The bidder with the lowest Price receives the maximum score. The bidder with the next lowest Price receives points by dividing the lowest Price by the next lowest price and multiplying that percentage by the available points. For example, 90 points is allocated to the lowest Price criteria for this procurement, Bidder "A" bids \$3.00 as the lowest bidder and receives the maximum 90 points ($\$3.00 / \$3.00 = 1.00 \times 90 = 90$). Assume Bidder "B" is the next lowest bidder at \$4.00, then "B" receives 67.5 points ($\$3.00 / \$4.00 = .75 \times 90 = 67.5$).

Best Value scoring is subject to Reciprocal Preference for Kentucky resident bidders.

VI. KENTUCKY RECIPROCAL PREFERENCE LAWS

In accordance with KRS 45A.490 to 45A.494, Kentucky Resident Bidder Status, a resident Offeror of the Commonwealth of Kentucky shall be given a preference against a nonresident Offeror. In evaluating proposals, KCTCS will apply a reciprocal preference against an Offeror submitting a proposal from a state that grants residency preference equal to the preference given by the state of the nonresident Offeror. Residency and nonresidency shall be defined in accordance with KRS 45A.494(2) and 45A.494(3), respectively. Any Offeror claiming Kentucky residency status must submit with its bid/proposal a notarized affidavit (Resident Bidder Claim Form,) with supporting documentation affirming that it meets the criteria as set for in the above referenced statute.

Further, in accordance with KRS 45A.465 and 45A.470, any bidder wishing to claim qualified bidder status must complete and include an Affidavit for Qualified Bidder Status with their response. In evaluating responses, KCTCS will apply preference in accordance with KRS 45A.470. An Affidavit for Qualified Bidder Status forms is available from KCTCS Procurement to Payment, upon request.

VII. Bid Submittal

Bids must be received no later than the date and time show on the front page of this Invitation to Bid. All bids must be received in a sealed envelope/package clearly identified with the Invitation to Bid Number in the lower left corner.

Bidders shall not submit their standard terms and conditions with bid submission.

VIII. Multiple Bids
