5. Costs/Pricing

5.1. General Pricing Rules

Each supplier is required to submit pricing as part of its response. By submitting a response, the supplier agrees that it has read, understood, and will abide by the following instructions/rules:

1. The submitted pricing must include all costs of performing pursuant to the resulting PO; and
2. The supplier is required to provide net prices. In the event there is discrepancy between a supplier's unit price and extended price, the unit price shall govern;
3. All product deliveries will be F.O.B. destination and all shipping charges must be included in the quoted cost; and
4. Responses containing prepayment and/or progress payment requirements may be determined non-responsive; and
5. Responses requiring payment from KCTCS in less than thirty (30) days will be considered non-responsive; and
6. KCTCS is exempt from certain taxes and no provision for such taxes should be included in the supplier's response.

5.2 Cost Structure

The KCTCS's intent is to structure the cost format in order to facilitate comparison among all suppliers and foster competition to obtain the best market pricing. Consequently, KCTCS requires that each supplier's cost be structured as directed in the Invitation to Bid. Additional alternative cost structures will not be considered. Each supplier is hereby advised that failure to comply with the Invitation to Bid instructions, submission of an incomplete offer, or submission of an offer in a different format than the one requested may result in the rejection of the supplier's response.

6. Award

6.1. Method

KCTCS intends to award a contract to the responsive and responsible supplier(s), based on Best Value, who meets the Terms, Conditions, and Specifications of this Invitation to Bid.

Best Value - Ranking Approach: with the ranking approach, price is one of the measurable criteria components of the solicitation. The measurable criteria are added together to determine the contractor's total score. The contractor with the highest score has the highest ranking. Award is made to the contractor with the highest ranking. If there is only one best value response to the solicitation, the evaluation process may be waived and award may be made to the only responsive, responsible contractor.

6.2. Measurable Criteria

TOTAL POINTS 100 Points

Each Supplier is responsible for submitting all relevant, factual and correct information with their offer to enable the evaluator(s) to afford each Supplier the maximum score based on the available data submitted by the Supplier. SUPPLIER SHALL ENTER UNIT PRICE AND TOTAL PRICE ON THE BID SHEET. If adequate space is not available, the Supplier must attach additional information that clearly cross-references the appropriate location in the solicitation (i.e. page number, paragraph, subject, etc.).

Price (100 points)

The bidder with the lowest Price receives the maximum score. The bidder with the next lowest Price receives points by dividing the lowest Price by the next lowest price and multiplying that percentage by the available points. For example, 100 points is allocated to the lowest Price criteria for this procurement, Bidder "A" bids \$3.00 as the lowest bidder and receives the maximum 100 points ($\$3.00 / \$3.00 = 1.00 \times 100 = 100$). Assume Bidder "B" is the next lowest bidder at \$4.00, then "B" receives 75 points ($\$3.00 / \$4.00 = .75 \times 100 = 75$).

Best Value scoring is subject to Reciprocal Preference for Kentucky resident suppliers.

6.3. Breaking Tie Bids

Tie low bids on the purchase of commodities may be broken in the following order if price and delivery are equal.

1. Time discount.
2. KRS 45A.494 Reciprocal preference to be given by public agencies to resident bidders -- List of states -- Administrative regulations. (4) If a procurement determination results in a tie between a resident bidder and a nonresident bidder, preference shall be given to the resident bidder.
3. Supplier who has performed satisfactorily in the past over supplier who has not previously served KCTCS or who has not performed in satisfactory manner.
4. Flip of coin, witnessed by at least two KCTCS personnel.

The bid file shall be documented listing one or more of the above listed factors.

6.4. Selection

KCTCS reserves the right to: (a) reject any and all responses, in whole or in part; (b) request clarifications from suppliers; and (c) take any other action as permitted by law.

Any award(s) resulting from the Invitation to Bid will be made to the lowest, responsive and responsible supplier(s) meeting all specifications. KCTCS reserves the right to select one or more suppliers for award and to award all items to one or more suppliers, individual line items to one or more suppliers, or subcategories of products/services to one or more suppliers when to do so is in the best interests of KCTCS.

6.4. Consideration

To be considered for award of a contract, the contractor must be in good standing with KCTCS System Office regarding past performance. In order to be considered for an award, Supplier cannot have had a contract with KCTCS that was not renewed or terminated early (unless at the Supplier's request) for performance reasons within the previous twelve (12) months (from the bid opening date on this bid event).

6.5. Kentucky Reciprocal Preference Laws

In accordance with KRS 45A.490 to 45A.494, Kentucky Resident Bidder Status, a resident Offeror of the Commonwealth of Kentucky shall be given a preference against a nonresident Offeror. In evaluating proposals, KCTCS will apply a reciprocal preference against an Offeror submitting a proposal from a state that grants residency preference equal to the preference given by the state of the nonresident Offeror. Residency and nonresidency shall be defined in accordance with KRS 45A.494(2) and 45A.494(3), respectively. Any Offeror claiming Kentucky residency status must submit with its bid/proposal a notarized affidavit (Resident Bidder Claim Form,) with supporting documentation affirming that it meets the criteria as set for in the above referenced statute. Further, in accordance with KRS 45A.465 and 45A.470, any bidder wishing to claim qualified bidder status must complete and include an Affidavit for Qualified Bidder Status with their response. In evaluating responses, KCTCS will apply preference in accordance with KRS 45A.470. An Affidavit for Qualified Bidder Status forms is available from KCTCS Procurement to Payment, upon request.

6.8. Public Award Notice
