Furthermore, all equipment including the listing and labeling of the equipment, must meet the requirements stated in the current edition of NFPA 70 National Electrical Code and be certified by an independent testing laboratory as per National Electrical Code, NFPA 70, articles 110.3A, 110.3B and 90.7. V. Method of Award

Best Value– Ranking Approach

KCTCS intends to award a Contract to the Bidder, whose offer, conforming to the Solicitation, is the most advantageous on the basis of "best value" for all products, services, and requirements contained herein.

An evaluation committee, or a designated individual, will evaluate the information provided by the Supplier in response to the established measurable criteria contained in the Solicitation.

Measurable Criteria:
Price 100 Points

TOTAL POINTS 100 Points

Each Supplier is responsible for submitting all relevant, factual and correct information with their offer to enable the evaluator(s) to afford each Supplier the maximum score based on the available data submitted by the Supplier. SUPPLIER SHALL ENTER UNIT PRICE AND TOTAL PRICE ON THE BID SHEET. If adequate space is not available, the Supplier must attach additional information that clearly cross-references the appropriate location in the solicitation (i.e. page number, paragraph, subject, etc.).

Price (100 points)

The bidder with the lowest Price receives the maximum score. The bidder with the next lowest Price receives points by dividing the lowest Price by the next lowest price and multiplying that percentage by the available points. For example, 100 points is allocated to the lowest Price criteria for this procurement, Bidder "A" bids \$3.00 as the lowest bidder and receives the maximum 100 points ($\$3.00 / \$3.00 = 1.00 \times 100 = 100$). Assume Bidder "B" is the next lowest bidder at \$4.00, then "B" receives 75 points ($\$3.00 / \$4.00 = .75 \times 100 = 75$).

Best Value scoring is subject to Reciprocal Preference for Kentucky resident bidders.

Method of Breaking Tie Bids:

Tie low bids on the purchase of commodities may be broken in the following order if price and delivery are equal.

1. Time discount.
2. KRS 45A.494 Reciprocal preference to be given by public agencies to resident bidders -- List of states -- Administrative regulations. (4) If a procurement determination results in a tie between a resident bidder and a nonresident bidder, preference shall be given to the resident bidder.
3. Supplier who has performed satisfactorily in the past over supplier who has not previously served the KCTCS or who has not performed in satisfactory manner.
4. Flip of coin, witnessed by at least two KCTCS personnel.

The bid file shall be documented listing one or more of the above listed factors.

VI. Kentucky Reciprocal Preference Laws

In accordance with KRS 45A.490 to 45A.494, Kentucky Resident Bidder Status, a resident Bidder of the Commonwealth of Kentucky shall be given a preference against a nonresident Bidder. In evaluating proposals, KCTCS will apply a reciprocal preference against a Bidder submitting a proposal from a state that grants residency preference equal to the preference given by the state of the nonresident Bidder. Residency and nonresidency shall be defined in accordance with KRS 45A.494(2) and 45A.494(3), respectively. Any Offeror claiming Kentucky residency status must submit with its bid/proposal a notarized affidavit (Resident Bidder Claim Form,) with supporting documentation affirming that it meets the criteria as set for in the above referenced statute.

Further, in accordance with KRS 45A.465 and 45A.470, any bidder wishing to claim qualified bidder status must complete and include an Affidavit for Qualified Bidder Status with their response. In evaluating responses, KCTCS will apply preference in accordance with KRS 45A.470. An Affidavit for Qualified Bidder Status forms is available from KCTCS Procurement to Payment Services, upon request.

VII. Authorization to do Business in Kentucky

The Bidder affirms that it is properly authorized under the laws of the Commonwealth of Kentucky to conduct business in this state and will remain in good standing to do business in the Commonwealth of Kentucky for the duration of any contract awarded. The Bidder shall maintain certification of authority to conduct business in the Commonwealth of Kentucky during the term of this Contract. Such registration is obtained from the Secretary of State, who will also provide the certification thereof.

VIII. Bid Submittal

Bids must be received no later than the date and time show on the front page of this Invitation to Bid. All bids must be received in a sealed envelope/package clearly identified with the Invitation to Bid Number in the lower left corner.

Bidders shall not submit their standard terms and conditions with bid submission.

I. Multiple Bids

EPA List of Violating Facilities. This provision requires reporting of violations to the grantor agency and to the U.S.E.P.A. Assistant

XI. Inspection

All supplies and equipment shall be subject to inspection or tests by the college prior to acceptance. In the event supplies or equipment are defective in material or workmanship or otherwise not in conformity with specified requirements, the college shall have the right to reject them or require acceptable correction at the supplier's expense.

II. Damaged Materials

When an order is received and found damaged, the supplier will be notified immediately concerning the course of action necessary to resolve the situation. Should replacement materials be required, said material will be replaced within ten (10) working days, unless there is just cause shown that this requirement cannot be met. A notice of disposition for damaged materials will also be required within ten (10) working days, or KCTCS, will dispose of, or return, said materials at their convenience.

XII. Rejection of Bids

KCTCS reserves the right to reject any and all bids when it is in the best interest of KCTCS to do so.

XVIII. Post Contract Agreements

The resulting contract and/or KCTCS Purchase Order shall constitute the entire agreement between the parties. Unless contractually provided, KCTCS will not be required to enter into nor sign any additional agreements, leases, company orders or other documents to complete or initiate the terms of a contract that may result from an award of this Invitation to Bid. Any documents obtained shall be non-binding on KCTCS and may be considered a breach of contract.

XIX. Supplier Terms & Conditions

Responses submitted that include any additional supplier terms or conditions or contain terms and conditions in conflict with the Statutes of the Commonwealth of Kentucky shall be rejected. Suppliers shall refrain from imposing conditions that would modify the terms and conditions of the solicitation or limit the bidder's liability to KCTCS on the contract awarded on the basis of such Invitation.
