

KENTUCKY COMMUNITY AND TECHNICAL COLLEGE SYSTEM

REQUEST FOR PROPOSAL ADDENDUM #1

RFP NO.: RFP-0177
ADDENDUM NO.: 1
RFP ISSUE DATE: August 28, 2017
ADDENDUM DATE: September 13, 2017
OPENING DATE: September 27, 2017
TITLE: Helicopter Training Program Partner

The following information is provided in response to questions submitted by potential Offerors:

1. It is believed that in the immediate future the demand for aviation training will largely be for fixed wings. Would KCTCS/MCC consider both rotor and fixed wing training?

- a. KCTCS/MCC will look to explore all possibilities for other aviation opportunities with the development of this program. However, at this point KCTCS/MCC feel the best place to start is the current structure of the RFP, with the possibility to expand the program's scope into other areas in the future, with fixed wing training a possible next step.

All other terms, conditions & specifications remained unchanged.

Offerors must acknowledge receipt of this and any addenda either with proposal or by separate mailed letter or signed addendum, prior to award of contract. If by separate letter, the following information should be placed in the lower left hand corner of the envelope:
