VII. Method of Award

Best Value– Ranking Approach

KCTCS intends to award a Contract to the Vendor, whose offer, conforming to the Solicitation, is the most advantageous on the basis of "best value" for all products, services, and requirements contained herein.

An evaluation committee, or a designated individual, will evaluate the information provided by the Vendor in response to the established measurable criteria contained in the Solicitation. The response will be accumulated and evaluated by price per item corresponding to the overall price.

Measurable Criteria:

Price 95 Points

Delivery 5 Points (must be according to delivery specs within this Invitation)

TOTAL POINTS 100 Points

Each Supplier is responsible for submitting all relevant, factual and correct information with their offer to enable the evaluator(s) to afford each Supplier the maximum score based on the available data submitted by the Supplier. SUPPLIER SHALL ENTER UNIT PRICE AND TOTAL PRICE ON THE BID SHEET. If adequate space is not available, the Supplier must attach additional information that clearly cross-references the appropriate location in the solicitation (i.e. page number, paragraph, subject, etc.).

Price (95 points)

The bidder with the lowest Price receives the maximum score. The bidder with the next lowest Price receives points by dividing the lowest Price by the next lowest price and multiplying that percentage by the available points. For example, 95 points is allocated to the lowest Price criteria for this procurement, Bidder "A" bids \$3.00 as the lowest bidder and receives the maximum 95 points ($\$3.00 / \$3.00 = 1.00 \times 95 = 95$). Assume Bidder "B" is the next lowest bidder at \$4.00, then "B" receives 71.3 points ($\$3.00 / \$4.00 = .75 \times 95 = 71.25$).

Delivery (5 points)

The supplier with guaranteed delivery time on the dates requested will receive the maximum score and the supplier with the next best delivery time will be scored by dividing the guaranteed supplier's points by the next best supplier's time and multiplying that percentage by the available points. For this example, assume delivery time is guaranteed, then that supplier receives 5 points ($5/5 = 1 \times 5 = 5$). Assume ten (10) days after requested date is the next best delivery time, then that supplier receives 2.5 points ($5/10 = .5 \times 5 = 2.5$).

Best Value scoring is subject to Reciprocal Preference for Kentucky resident bidders.

VIII. Kentucky Reciprocal Preference

In accordance with KRS 45A.490 to 45A.494, Kentucky Resident Bidder Status, a resident Offeror of the Commonwealth of Kentucky shall be given a preference against a nonresident Offeror. In evaluating proposals, KCTCS will apply a reciprocal preference against an Offeror submitting a proposal from a state that grants residency preference equal to the preference given by the state of the nonresident Offeror. Residency and nonresidency shall be defined in accordance with KRS 45A.494(2) and 45A.494(3), respectively. Any Offeror claiming Kentucky residency status must submit with its bid/proposal a notarized affidavit (Resident Bidder Claim Form,) with supporting documentation affirming that it meets the criteria as set for in the above referenced statute.

Further, in accordance with KRS 45A.465 and 45A.470, any bidder wishing to claim qualified bidder status must complete and include an Affidavit for Qualified Bidder Status with their response. In evaluating responses, KCTCS will apply preference in accordance with KRS 45A.470. An Affidavit for Qualified Bidder Status forms is available from KCTCS Purchasing, upon request.

IX. FOB Basis of Shipment – Vendor Responsible

The vendor shall be fully responsible for all shipments FOB Destination to the KCTCS location indicated on each order. The discounts quoted on this Invitation shall be FOB Destination - which is the receiving location and must include the cost of shipment of the unit being offered. Discount pricing shall then include cost of commodity plus shipping and handling if a commodity is requested.

X. Over shipments and Incorrect Materials

It is the responsibility of the vendor to initial movement of said materials from the premises and send replacement materials within ten (10) working days, unless there is just cause shown that this requirement cannot be met. Failure by KCTCS to receive disposition instructions will result in a collect return shipment to the vendor.

This provision requires reporting of violations to the grantor agency and to the U.S.E.P.A. Assistant

XV. Inspection

All supplies and equipment shall be subject to inspection or tests by the college prior to acceptance. In the event supplies or equipment are defective in material or workmanship or otherwise not in conformity with specified requirements, the college shall have the right to reject them or require acceptable correction at the vendor's expense.

XVI. Damaged Materials

When an order is received and found damaged, the vendor will be notified immediately concerning the course of action necessary to resolve the situation. Should replacement materials be required, said material will be replaced within ten (10) working days, unless there is just cause shown that this requirement cannot be met. A notice of disposition for damaged materials will also be required within ten (10) working days, or KCTCS, will dispose of, or return, said materials at their convenience.
